The Honorable Ed Royce
Chairman, Committee on Foreign Affairs

Dear Chairman Royce:

We applaud your valued leadership in driving Africa policy forward, in particular H.R. 2548, the "Electrify Africa Act of 2014." The Chamber is pleased to support the most recent amendment. While this bill is a good start, there is certainly more that needs to be done to help American companies invest across the continent various sectors. We look forward to working with your office as the bill moves through mark up and into its final form to support the development of Africa's energy infrastructure as well as American jobs and businesses.

Sincerely,
